**Today is World Mission Sunday!** Today we come together for a truly incredible celebration of solidarity and unity within our Church – World Mission Sunday! Today, every single parish worldwide - and YOU - share what you can so the life-transforming work of missionaries overseas can continue. Today, through your prayers and contributions, you are fully appreciating the dedication of our missionaries who live and work in communities that are struggling and often war-torn. Pope Francis is directly asking you for a little extra generosity, he said “family is the salt of the earth and the light of the world; it is a leaven of society. Christian families are missionary families, in their everyday life in their doing everyday things, as they bring to everything the salt and leaven of faith” Indeed every parish and diocese is a family within our even larger family, the universal Church so we encourage everyone to dig a little deeper and pray a little stronger so that faith, hope and love can grow where they're most needed.
