During these challenging times, it is important that we pray for our families, our communities and our country. Just because public Masses have ceased doesn't mean that prayer should cease. It is needed now more than ever.

With this in mind, the following is encouraged-

- The Rosary.
- The Angelus.
- Divine Mercy Chaplet.
- Stations of the Cross.
- Prayerful reflection.

Corona Virus: The obligation to physically attend Mass on Sundays or Holy Days has been dispensed by the Bishops at the present time. We remind people that Mass from Broomfield Church will go out over the parish Radio each Sunday at 11.30am. The Radio wave length is 102.4FM. We continue to pray at each Mass that the spread of the Corona virus will soon cease, above all cease in our country and that it will not become present in our parish.

SPIRITUAL COMMUNION.

When we cannot attend Mass, we can still make an Act of Spiritual Communion, expressing our faith in Christ and in His Presence in the Eucharist, asking Him to unite Himself to us. The basic elements of an Act of Spiritual Communion are an Act of Faith; An Act of Love; a desire to receive Christ; and an invitation to Him to come into your heart.

Act of Spiritual Communion.

My Jesus

I believe that you are present in the Most Blessed Sacrament.

I love you above all things, and I desire to receive you into my soul.

*Since I cannot at this moment receive you sacramentally,
come at least spiritually into my heart.*

I embrace you as if you were already there and unite myself wholly to you.

Never permit me to be separated from you.

Amen.

A PRAYER IN THIS TIME OF CHALLENGE.

God of Love, we the people of the Diocese of Clogher turn to you with prayerful hearts and with confidence in your loving presence among us now and in every moment of our lives. We stand before you as a people of hope, trusting in your care and protection. May we be comforted by your love in these anxious times.

Generous and Merciful God, fill us with compassion and concern for others, young and old; that we may look after each other in these challenging times, especially those among us who are vulnerable. May your example give us the courage we need to go to the margins, wherever they may be. Heal us of our fear.

Healing God, bring healing to those who are sick with the Coronavirus and be with their families and neighbours. We pray especially for those who are isolated, that they may know your love. Stay by our side in this time of uncertainty and sorrow.

God of Strength, accompany all those who serve us with such love and generosity in the medical profession and in all our healthcare facilities. We give thanks for their continued work in the service of people. We ask you to bless them, strengthen them and guide them with your abundant goodness.

God of Wisdom, we ask you to guide the leaders in healthcare and governance; that they may make the right decisions for the wellbeing of people.

O God of creation and God of life, we, your people here in Clogher, place ourselves and our world in your protection and love. May your peace be with us and enfold us today, tomorrow and during the time ahead. We make our prayer through the intercession of Mary our Mother, and all the saints.

St Joseph, pray for us. St Patrick, pray for us.

St Macartan, pray for us. St Davnet, pray for us.

St Fanchea, pray for us.

May all the saints of God, pray for us, Amen!

Larry Duffy.
