Fast from hurting words ... and say kind words.
Fast from sadness...and be filled with gladness.
Fast from anger... and be filled with patience.
Fast from pessimism... and be filled with hope.
Fast from worries...and have trust in God
Fast from complaints...and contemplate simplicity.
Fast from pressures...and be prayerful

Lord, forgive us our many sins.

We grieve and repent with all our hearts for having offended you, for our great failings and neglect of the young and vulnerable.

We place all of those who have been hurt by the Church in any way into your loving hands and under the protection of Our Blessed Mother.

Lord, bring peace to their broken lives and show us all the way out of darkness and into the light of your Word.

May we as the people of God be more fully human, more fully Christ-like and more fully your people, that we may see the errors of the past and go forward with renewed hope and faith in Christ and in our Church. Amen.
